

HOUSINGWORKS
For Everyone.

HousingWorks is a comprehensive Housing Database of every kind of subsidized, affordable, and special needs housing, permanent or transitional. It is the only database that lets you locate and apply to all your subsidized and affordable housing options in one sweep.

Our users report that clients get housed sooner, or require fewer hours to get housed.

A full-time Housing Advocate can save up to 30 hours a month, or handle an increased workload with greater ease.

Simplify Training at Staff Turnover

First day users of our system perform as well as experienced housing advocates.

Automated Housing Logs

View or print an up-to-date log of all the places your clients have applied. [Click to open a sample log!](#)

Fast, Simple Way to Update Waitlists

Applicants experience frequent changes of phone numbers, income, household, size, and address. HousingWorks provides a quick, easy way to notify all affected waitlists of these changes.

A Faster Way to Mail Applications

15% of all hand-addressed applications are illegible or addressed incompletely, so do not reach the intended recipient. HousingWorks eliminates this problem with pre-addressed mailing solutions. [Click to see how!](#)

A Comprehensive Authorization Form

When a waitlist is only open for a few days, and applicants are not reachable in that window of time, Housing Advocates need a unique set of authorizations, including permission to sign applications on behalf of their clients.

Special Reports to Boost Your Grant-Writing Efforts
