Reports for Every Kind of User – and How to Get Them

Housing Advocates and Supervisors

Reports (see samples) and How to Get Them: [Jump to this link](#)

Coordinated Assessment Staff and Supervisors

Reports (see samples) and How to Get Them: [Jump to this link](#)

Housing Providers who maintain waitlists

Reports (see samples) and How to Get Them: [Jump to this link](#)

Planning, Funding, and Prevention Groups

Reports (see samples) and How to Get Them: [Jump to this link](#)

The Three Groups:

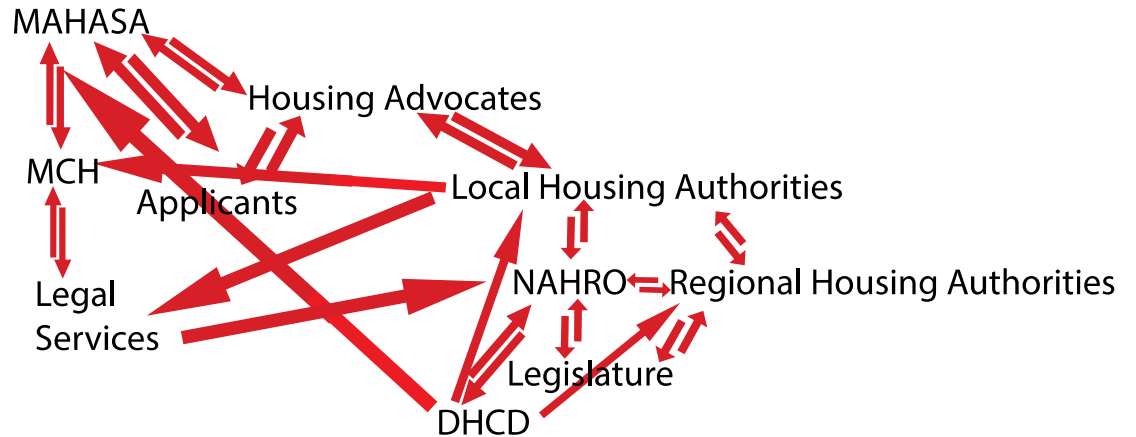

Applicants/ Advocates

Providers

Government

The Problem:

Each group has its own obstacles. Solutions being attempted within one group are causing problems for the other groups. We want to avoid that.

The Solution:

Leverage existing actions and behaviors so that each group **solves** problems for the other groups. Avoid or limit systems change anywhere (unless immediate financial reward makes a change worthwhile).
